Dear [redacted]

This office has provided some help for Dr. Robert Price, Chief Scientist at MACOM in Lexington, Massachusetts, who has been carrying out research, (unclassified and on his own) on secret telephoning in World War II. In interviewing (with cooperation of [redacted]) retired members of the Army Security Agency and NSA Dr. Price has talked with [redacted] an NSA retiree whom I believe you know.

Dr. Price informs me that [redacted] would very much like to get in touch with you. If you are willing to talk with him, he now lives in Silver Spring, Maryland, and can be reached at [redacted]

I shall not give out your address or phone number to anyone, of course, without your permission. If you have any questions, I hope you will call me at [redacted]

With all good wishes,

Yours sincerely,

[redacted]
J. Kenneth McDonald
Chief Historian
